

Declaration of Conflict of Interest

An das Promotionsbüro
der Fakultät für Informatik der RWTH
52074 Aachen

I,

Title and Name of the Reviewer

hereby declare that in the doctoral examination procedure of

First Name, Last Name of the Doctoral Candidate

there is

no conflict of interest and no direct or indirect relationship of dependency exists or could arise.

a direct or indirect conflict of interest or relationship of dependency (with one of the other reviewers) exists or could arise, namely of the following nature:

Conflict of Interest and Dependency Criteria in Doctoral Examination Procedures:

The existence of the following or similar circumstances must be disclosed and may lead to exclusion or to specific conditions being imposed:

1. Family relationships, in particular first-degree relations, marriage, civil partnership, or a relationship similar to marriage.
2. Personal financial interests in the outcome of the decision.
3. Official dependency or hierarchical subordination. Employment at RWTH Aachen University within the scope of the doctoral project is excluded from this rule.
